Glossary

Unless otherwise defined in this document, capitalised terms have the meaning set out in the Glossary at the end of this Explanatory Statement.

1. Resolution 1 – Approval of issue of shares

Background

The Company's wholly owned subsidiary, Electro Securities Pty Limited ('**Electro**') owns 7,667,353 ordinary class shares in MPower Group Pty Limited ('**MPower**'), representing approximately 59.3% of the issued share capital of MPower.

MPower is the holding company that owns four different operating businesses in the power sector, namely MPower Products, MPower Projects, MPower Pacific and MPower Solar Systems.

Electro has made offers (the '**Offers**') to each of the other shareholders of MPower to acquire all of the shares in MPower held by them. Each of the Offers has been accepted. The Offers are subject to a number of conditions, including the passing of Resolution 1 set out in the Notice.

If completion occurs under the Offers, this means that MPower will become a wholly owned subsidiary of the Company.

The total number of shares in MPower which are subject to the Offers made by Electro is 5,261,340 shares, representing approximately 40.7% of the issued share capital of MPower.

The total consideration payable by Electro for the 5,261,340 shares in MPower is \$8,733,824.40, which is to be satisfied by the issue of 22,939,447 new Shares in the Company (if Resolution 1 is passed and the other conditions to the Offers are satisfied). Accordingly, each such Share will be deemed to be issued for a price of approximately 38.1 cents per Share, which price is calculated after taking into account the payment of the Dividend and the Loyalty Option Issue referred to below.

Prior to completion of the sale of shares in MPower to Electro, MPower is to pay a fully franked dividend of 10 cents per share to its existing shareholders (which includes Electro).

A condition of the sale of the shares in MPower to Electro under each of the Offers is that each vendor shareholder of MPower is to enter into a voluntary escrow arrangement with the Company under which those vendor shareholders will have restrictions applied to their disposal of a percentage of the new Shares in the Company to be issued to them (the '**Escrow Arrangement**'). As from the date of issue of the new Shares, each shareholder is to be restricted from disposing of the following respective percentages of the new Shares in the Company to be issued to them for the following respective periods:

*Explanatory
Statement*

Percentage of each vendor shareholder's new Shares subject to escrow

Percentage of each vendor shareholder's new Shares subject to escrow	Period of escrow
87.5%	Period of 6 months commencing on the date on which the new Shares are issued
75.0%	Period of 12 months commencing on the date on which the new Shares are issued
62.5%	Period of 18 months commencing on the date on which the new Shares are issued
50.0%	Period of 24 months commencing on the date on which the new Shares are issued

As a result of the Escrow Arrangement, the holders of the Shares that will be subject to the Escrow Arrangement (the '**Escrowed Shares**') will not be permitted to sell, assign, transfer or otherwise dispose of, nor be permitted to agree to offer to sell, transfer or otherwise dispose of the Escrowed Shares within the relevant periods set out in the table above subject to the following exceptions:

(a) where a third party makes a takeover bid for all of the Shares and acceptances of that bid are received from holders of at least 50% of the Shares that are not subject to the Escrow Arrangement or any similar voluntary escrow arrangement;

- (b) where the Shares are to be cancelled or transferred under a scheme of arrangement;
- (c) where the Shares are required to be transferred or otherwise disposed of by operation of law; and
- (d) where all the Shares cease to be quoted on the ASX or the Company is removed from the Official List of the ASX.

The Offers are subject to a condition that ASIC provide a modification to section 609 of the Corporations Act so that the Company is not held to have a relevant interest in the Escrowed Shares. An application has been made by the Company to ASIC seeking this modification. As at the date of this Notice, no reply has been received to the application. If the modification is not received from ASIC then the Integration Proposal will not be able to proceed in the form as currently proposed. In those circumstances, the Shares will only be issued if the Integration Proposal is able to be restructured so as not to require the modification from ASIC.

The following table sets out the name of each allottee who will be issued new Shares under the Offers together with the respective number of Shares to be issued to that allottee and the respective number of Shares that will be subject to the Escrow Arrangement:

Name of allottee of Shares	Number of Shares to be issued to allottee	Percentage of issued share capital represented by number of Shares to be issued to allottee	Number of Shares subject to escrow for 6 months from date of issue	Number of Shares subject to escrow for 12 months from date of issue	Number of Shares subject to escrow for 18 months from date of issue	Number of Shares subject to escrow for 24 months from date of issue

Simultaneously with the issue of the new Shares under the Offers, three of the abovenamed allottees (Pacific Spectrum Investments Pty Limited, Paul Douglas Sharp and Paul Douglas Sharp and Lisa Marie Sharp as trustees of The Paul Sharp Childrens Trust) will grant pre-emptive rights over the 12,208,930 new Shares to be issued to them in favour of the Company. Under that arrangement, in the event any of those allottees wish to transfer any of the 12,208,930 Shares (the **'Transfer Shares'**), the Company will have the first right to either buy back the Transfer Shares (subject to regulatory requirements) or to place the Transfer Shares with a third party to be nominated.

No funds will be raised by the issue of the Shares.

Resolution 1 seeks shareholder approval for the issue of the 22,939,447 Shares under the Offers for the purposes of Listing Rule 7.1 of the ASX Listing Rules.

In general terms, Listing Rule 7.1 of the ASX Listing Rules imposes a 15% cap on the number of equity securities (which includes ordinary shares) that can be issued by the Company, without the approval of shareholders, in any 12 month period (**'15% limit'**). However, the Company is permitted to issue equity securities in excess of the 15% limit if those equity securities are issued in reliance on an exception to Listing Rule 7.1 or the issue is approved by shareholders under Listing Rule 7.1. When taken with other issues of equity securities by the Company in the 12 months preceding the date of this Notice, the 22,939,447 Shares to be issued under the Offers would exceed the 15% limit.

Accordingly, the Company is seeking shareholder approval for the issue of up to 22,939,447 Shares under the Offers pursuant to Listing Rules 7.1 and 7.3.

As a result of changes to the ASX Listing Rules which became effective on 1 August 2012, the Company can obtain the ability to issue an additional 10% of its issued capital under Listing Rule 7.1A, in addition to the number of equity securities it may issue under the 15% limit. However, the Company could only do so if it obtains the approval of its shareholders by a special resolution at a future annual general meeting.

If the Company does become entitled to issue an additional 10% of issued capital under Listing Rule 7.1A, the proposed issue of the Shares the subject of Resolution 1 will not detract from the Company's capacity to issue securities under Listing Rule 7.1A.

The proposed issue of Shares pursuant to Resolution 1 is being made under Listing Rule 7.1 and not under Listing Rule 7.1A.

As previously announced by the Company, in order to facilitate the Integration Proposal, two capital management initiatives are being proposed, namely the Loyalty Option Issue and the Dividend each of which are referred to below. Neither the Loyalty Option Issue nor the Dividend will be implemented unless all conditions to which the Integration Proposal is subject have been satisfied prior to the record dates to apply to the Loyalty Option Issue and the Dividend. The new Shares to be issued under the Offers will not be entitled to participate in either of those capital management initiatives.

The first capital management initiative will be the issue of free loyalty options to the Company's shareholders (**'Loyalty Option Issue'**). If the Loyalty Option Issue proceeds, each shareholder at the relevant record date (which is expected to be 24 September 2012) will be issued one option for no consideration, for each 7 shares held at the record date (rounded down). Each option will entitle the holder to acquire one Share at an exercise price of \$0.20. The options will expire 5 years after the date of issue of the options and will be able to be exercised at any time during that 5 year period. The Company will apply for the options to be listed on the ASX.

If the Loyalty Option Issue proceeds, shareholders will receive a prospectus for the issue of the options, which is expected to be posted to the Company's shareholders on 2 October 2012.

The second capital initiative will be the declaration and payment of a fully franked dividend of 5.0 cents per Share to the Company's shareholders (the **'Dividend'**). The Dividend is to comprise a 1.0 cent per Share ordinary dividend component in respect of the year to 30 June 2012 and a 4.0 cent per Share special dividend component. The Company's dividend reinvestment plan will not operate in respect of the Dividend. The record date for the Dividend is expected to be 24 September 2012.

Information required under ASX Listing Rule 7.3

In addition to the above, the following details of the proposed issue of the 22,939,447 Shares for which shareholder approval is sought are provided for the purposes of Listing Rule 7.3 of the ASX Listing Rules:

- The maximum number of Shares to be issued by the Company under the Offers is 22,939,447.
- The 22,939,447 Shares will be issued on a date no later than 3 months after the date of this Meeting, but are expected to be issued on 28 September 2012.

- Each Share is deemed to be issued at a price of approximately 38.1 cents per Share (after taking into account the payment of the Dividend and the Loyalty Option Issue). However, no funds will be raised by the issue of the Shares.
- The Shares will be allotted and issued to the persons named as allottees as identified in the above table in the respective numbers appearing adjacent to each named person, as set out in the second column in the above table.
- The 22,939,447 Shares will be issued as fully paid ordinary shares, ranking equally with the Company's existing Shares.
- The Company will apply for the 22,939,447 Shares to be quoted on the ASX.

Board recommendation

The passing of resolution 1 will:

- (a) result in some of the management of MPower and entities associated with some of the management of MPower becoming shareholders of the Company, which will further align the interests of MPower management with all shareholders of the Company;
- (b) provide the Company with greater access to cash flows from the underlying MPower businesses and which, if those businesses are profitable and the Company is able to achieve profits, should enhance the Company's ability to pay dividends in the future;
- (c) allow the proposed capital initiatives of the Special Dividend and Loyalty Option Issue to proceed; and
- (d) provide flexibility for the Company to raise additional funds in the future as and when required.

For these reasons, the Directors recommend that you vote in favour of resolution 1.
